

Acopian BirdSavers

Prevent birds
from flying
into windows.

- ▶ Very elegant solution.
- ▶ Very simple design.
- ▶ It works!

What are Acopian BirdSavers?

Simple cords that are easy to install and remove, that hang outside your window. The leftmost window in this picture has Acopian BirdSavers installed. They look cool, don't block your view, gently sway in the wind, and will last practically forever.
